Our Nursery is Not Open for Business on Sundays

GUARANTEE TO REPLACE

We guarantee to replace, free of charge, any nursery stock purchased direct from us that dies before October 1st after planting, providing that proper care is exercised in planting, watering and caring for same and dead stock reported to us before October 10th. Prompt payment must be made in full or above guarantee is void.

PLANTING

Forty Per Cent Additional For Planting

We greatly prefer to have our customers do their own planting, but where this cannot be done, we will have our experienced men do the planting for 40 per cent extra. Where black soil is needed, customers will kindly see that same is furnished.

AGENTS

We do not employ agents in Minneapolis or St. Paul. Customers will find our prices 35 to 50 per cent lower than firms employing agents.

PLANTING SEASON

Spring, generally April 1st to May 10th. Fall, October 1st to November 1st. If customers will kindly place their orders as early as possible, it will greatly aid us in making prompt deliveries, when the proper time for deliveries arrives. Twin City orders delivered free, providing they amount to \$2.00 or more; otherwise a charge of 50 cents will be made to cover cost of delivery.

LANDSCAPE SERVICE

Our Landscape Department will be glad to assist you with any planting problems you may have, but it is necessary that you get in touch with us early. Our planting seasons are short, and when the outdoor work opens up we are so rushed that new plans cannot receive the careful attention they should have. The fact that there is snow on the ground will not interfere with our studying your problem and it will enable us to start planting for you just as soon as the ground opens up.
